Our Blue Ribbon School

On Tuesday, October 4, Senator Schepisi and Assemblywoman De Fuccio visited our school. They observed several classrooms and met students. Hillside School received a proclamation which will be proudly displayed.

Concluding Fire Prevention Week

The Closter Fire Department visited our school on Friday, October 14. Students attended an assembly on fire prevention and safety.

School Violence Awareness Week

All public school districts are required to annually designate the third week in October as School Violence Awareness Week in accordance with N.J.S.A. 18A:36-5.1. Activities should address preventing school violence, including, but not limited to, age-appropriate opportunities for student discussion about conflict resolution, issues of student diversity, and tolerance.

Our School Counselors Ms. Weiss and Mrs. Lang organized activities for the week ([link](#)).

Please join us!

Families are invited to attend a presentation to clarify the revised health curriculum on Thursday, October 20, at

6:30 p.m. This presentation will take place in the **Tenakill Auditorium**. All curriculum can be viewed on our website ([link](#)).
